Members of the junior class of the Hancock high school have been working hard for the past few days in preparation for the play, "Mr. Bob," to be presented by them in the near future. The play will be staged in the assembly room of the high school and the members of the high school department have been drilling the members of the cast in their various parts for some time.

The cast for the production is as follows:

Jenkins, Miss Rebecca's butler—George Coon.

Rebecca Luke, a maiden lady—Helen Chase.

Katherine Rogers, her niece—Genevieve Funk.

CLAIMS OLDEST MEMBER.

William V. Barkell Believed to Be Senior Forester of America.

Court Pride of Hancock, Foresters of America, claims the distinction of having on its rolls, the oldest member in the United States, in the person of James V. Barkell of Ryan street. Mr. Barkell affiliated with the order in 1875 when the title of the lodge was "The Ancient Order of Foresters." As a member of Court Rising Sun, of Hancock, he took an active interest in its affairs and represented the court at various national conventions.

In 1887, Mr. Barkell led an insurgent move in Chicago which ultimately resulted in the Hancock order's affiliation with the Foresters of America.

Dr. and Mrs. Edward T. Abrams returned from a visit to lower peninsula towns yesterday.

ECZEMA SPREAD ALL OVER BODY

Began on Cheeks With Pimples. Itched Badly. Caused Disfigurement. Had to Put Mitten on Him. Used Cuticura Soap and Ointment. Eczema Left Him.

Roxbury, Ohio.—"When my little boy was two weeks old he began breaking out on his cheeks. The eczema began just with pimples and they seemed to itch so badly he would scratch his face and cause a matter to run. Wherever that matter would touch, it would cause another pimple until it spread all over his body. He had fifteen places on one arm and his head had several. The deepest places on his cheeks were as large as a silver dollar on each side. He was so restless at night we had to put mittens on him to keep him from scratching them with his finger nails. He could not sleep because I put those mittens on which would not allow him to scratch and then he would wake up and be cross. If he got a little too warm at night it seemed to hurt badly.

"We tried a treatment and he didn't get any better. He had the eczema about three weeks when we began using Cuticura Soap and Ointment. I bathed him at night with the Cuticura Soap and spread the Cuticura Ointment on and the eczema left." (Signed) Mrs. John White, Mar. 10, 1913.

Cuticura Soap and Ointment do so much for poor complexions, red, rough hands, and dry, thin and falling hair, and cost so little, that it is almost criminal not to use them. Get every where. Sample of each mailed free, with 22-p. book on the skin and scalp. Address post-card "Cuticura, Dept. T, Boston."

Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.

STUDENTS BEGIN OUTDOOR WORK

Candidates for Track and Baseball Out in Large Numbers

Candidates for the track and baseball teams to represent the Hancock high school in the inter-scholastic league began work yesterday afternoon in charge of their respective coaches, F. M. Bedinger, instructor in the commercial department, will coach the diamond squad and R. E. Angel, science instructor, will drill the track candidates.

The prospects for a championship team this year in baseball are excellent. But five men from the squad which played for the honors of the school last year will be missing and with the remaining veterans in line for positions, Coach Bedinger will have no difficulty in forming a strong team from the many new candidates who have signified their willingness to play ball.

The position at the receiving end of the battery will, probably be the hardest to fill as there are several candidates for this position and all seem about evenly matched. Captain Axelsson will again do the twirling. Richard Martin will play at first base and Shields is a promising candidate for second base. Elden McGlynn, who played center field for the past two years, will probably be placed at short-stop. For third base, the candidates are numerous, but among the promising is Dwight Rich who played on the Davaglac high school nine. Shields, Merke and O'Neill are all veterans in the garden and will be out for these places.

The Track Team.

The first track practice was held last evening under the direction of Coach Angel, the initial work being a cross country run. The track is still in bad condition and it may be several days before the candidates can work on it.

Elden McGlynn, the record holder in the short distance runs, was chosen to captain the track candidates. He will enter the 50, 100, 220-yard dashes, high jump, broad jump and pole vault events. Harry Fisher is another promising dash man and will enter the shorter runs. Rupert Anthony, the star distance man of last year's team, will again run the half-mile and mile events and may run the 440-yard dash. Donald Rose will enter the pole vault and other field events while John Hooking, Herbert Mette and Edward Merke have been doing some excellent work to date in the weight contests. Raymond Wade is again available for the short distance runs and a number of new candidates have announced themselves as willing to try out for the team.

FORM BASEBALL TEAM.

Centennial-Franklin Ball Club to Be in Field This Season.

Members of the Centennial-Franklin baseball club met recently for the purpose of electing officers and forming plans for the baseball season. It was decided that the club enter a team in a proposed "Stamptail league." The following officers were elected: Manager—J. B. Trevillian. Treasurer—A. G. Andrews, Jr. Secretary—E. C. Shepherd. Captain—Christ Messner.
